

# FUNDRAISE YOUR WAY

## GET HOSTING

Organise a trivia night, bingo game, or themed dinner party to bring people together. Garage sales, auctions, or talent shows are also great ways to raise funds while having fun.

## GET SOCIAL

Leverage your network by setting up donation jars, running gold coin donation days, or teaming up with community groups. Use workplace newsletters or casual dress days to encourage contributions.

## GET CREATIVE

Put your skills to work! Bake and sell treats, craft handmade items, or offer services like photography, gardening, or pet-sitting in exchange for donations. Let your imagination shine!

## GET DIGITAL

Use social media to share your fundraising page and updates. Host virtual events, create engaging videos, or start a viral challenge to expand your reach online.
